Hi Alexa – I agree -- it was great to get to meet in person. Thanks for taking time out of the conference to meet the program and talk about the CA aquifer exemption issues.

1 pm on Wed. would be fine.

Meanwhile . . . a meeting was scheduled with R9 and HQs for Tuesday from 2-2:30 pm (eastern time) to discuss the test case that CA sent R9 on Friday. I've taken a look at the first 7-8 pages and the executive summary. Looks like it's almost 300 pages long and only available on line until Friday. If you have a chance to chat about it Tuesday morning, I'm free anytime except for 12-1 pm eastern time. And if 12-1 eastern is the only time you're available, I can skip staff meeting.

Leslie & Carrie,

It was great to be able to meet up in person last week, and catch up a bit on our CA matters. I know we spoke about putting together a call this week [REDACTED] I'm going to chat with Gretchen and other folks in our office today and wanted to see when you might want to hold that call. It looks like Wednesday 10amPT/1pm ET might be a possibility?

~Alexa
